

CALL FOR PAPERS

Since 1996, the academic journal *Studia Europaea*, issued by the Faculty of European Studies, has been representing an open arena for promoting research endeavours. The journal is refereed by international specialists and officially acknowledged by the Romanian National University Research Council (CNCSIS). *Studia Europaea* is covered by several prestigious databases, such as ProQuest CSA Worldwide Political Science Abstracts, ProQuest CSA Sociological Abstracts or Central and Eastern European Online Library (CEEOL). Each article is reviewed by two independent academics in a “double-blind” system. Senior as well as junior academics from Europe and from the United States have found in *Studia Europaea* a way of expressing their preoccupations by publishing academic articles that have focused on the European experience and perspectives in various fields of social science.

By launching the Call for Papers, *Studia Europaea* is prepared to receive articles that will be grouped in six sections:

- **“History, International Relations, and Political Science”** - welcomes articles that stress the European perspective of world politics and the analysis of the European political developments.
- **“European Economy and European Information Society”** - invites articles that include analyses and comments concerning the most relevant aspects of the European economy and information technology.
- **“European Community and Business Law”** - brings together articles that refer to the European states and the European Communities and their judicial and institutional organisation, as well as facets of business regulation.

- **“European Culture, Philosophy, and Anthropology”** - will concentrate on the cross-cultural European experience, with an emphasis on relations with other cultural areas, such as Asia or the Americas.
- **“Forum”** - open for the BA and MA students in the fields mentioned above.
- **“Book Review”** - welcomes critical reviews of the latest books related to the fields listed above.
